Select "Register"
As a registered EC-Council Academia partnered institution, we value your partnership and look forward to supporting your cybersecurity programs, initiatives, faculty, and students. Please take some time to explore the resources and benefits available to you within this portal. These offerings have been specifically designed for you as an educator. This program is all about supporting you and transforming the cybersecurity workforce! We look forward to your involvement.

Upon approval of your EC-Council Academia Partner application, you will receive a Welcome Email confirming your acceptance.

Please proceed to log into aspen.eccouncil.org and visit the “Academia Partner” tab to access and review your personalized partner resources.
We look forward to answering any initial questions and continuing our conversations toward supporting your cybersecurity education programs and initiatives as our valued partner.
